**Remove Criminal History Repository Funding**

The budget includes a decrease of \$(600,000) from the Fingerprint Clearance Card Fund to remove a 3-year appropriation.

The FY 2019 General Appropriation Act appropriates \$600,000 from the Fingerprint Clearance Card Fund for this purpose in FY 2019, FY 2020, and FY 2021 for a total of \$1,800,000 over 3 years. This amount is non-lapsing. ACJC spent a total of \$101,000 in FY 2019 and FY 2020 combined, leaving \$1,699,000 in available funding. ACJC reports that project expenditures have been slow due to a delay in design phase of the project. ACJC estimates spending the remaining \$1,699,000 in FY 2021.

This line item provided funding for the Arizona Computerized Criminal History Repository Upgrade in which ACJC coordinates with the Department of Public Safety, law enforcement agencies, county attorneys, and courts to develop and implement a data exchange system to allow for the electronic transfer and submission of criminal history record information to the Arizona Computerized Criminal History Repository within 24 hours. Priority is given to entities based on deficiencies in dispositions and volume of cases.

**State Aid to County Attorneys**

The budget includes \$973,700 from the State Aid to County Attorneys Fund in FY 2022 for State Aid to County Attorneys. This amount is unchanged from FY 2021.

This line item provides funding for the various offices of county attorneys throughout Arizona to improve the processing of criminal cases. The line item receives funds from a 15.44% allocation of a 7% penalty assessment on fines, penalties, and forfeitures imposed by the courts for criminal and civil motor vehicle violations and a portion of the monies collected by the Supreme Court and Court of Appeals. ACJC is required to distribute the monies to each county based on a composite index formula using Superior Court felony filings and county population.

**State Aid to Indigent Defense**

The budget includes \$700,000 from the State Aid to Indigent Defense Fund in FY 2022 for State Aid to Indigent Defense. FY 2022 adjustments are as follows:

### State Aid to Indigent Defense Fund-Shift

The budget includes an increase of \$700,000 from the State Aid to Indigent Defense Fund in FY 2022 for State Aid to Indigent Defense. Since FY 2011 the Department of Public Safety (DPS) has utilized this funding. The budget includes a corresponding decrease from the fund in DPS to shift the funding back to ACJC.

This line item provides funding to the various counties in Arizona for processing of criminal cases by the offices of the public defender, legal defender, and/or contract indigent defense counsel in each county.

The line item receives funding from a 14.66% allocation of a 7% penalty assessment on fines, penalties, and forfeitures imposed by the courts for criminal and civil motor vehicle violations and a portion of the monies collected by the Supreme Court and Court of Appeals. ACJC is required to distribute the monies to each county based on a composite index formula using Superior Court felony filings and county population.

### Victim Compensation and Assistance

The budget includes \$4,224,600 from the Victim Compensation and Assistance Fund in FY 2022 for Victim Compensation and Assistance. FY 2022 adjustments are as follows:

#### Statewide Adjustments

The budget includes a decrease of \$(5,300) from the Victim Compensation and Assistance Fund in FY 2022 for statewide adjustments.

This line item provides funding for 2 crime victim grant programs: the Victim Compensation Program and the Victim Assistance Program. Victim compensation monies are distributed to county compensation boards that award cash compensation to crime victims for specified expenses resulting from their victimization. Revenues for victim compensation grant monies come from 3 sources: a \$9 penalty on criminal and civil violations, monies collected from a 10% assessment of a worker's gross compensation, and unclaimed victim restitution. Victim assistance monies are granted to local government and not-for-profit agencies on a competitive basis and are used for operating expenses related to their victim assistance programs. Revenues for victim assistance grants come from community supervision fees and interstate compact fees.

### Other Issues

#### Criminal Justice Enhancement Fund

The Criminal Justice Enhancement Fund receives revenues from penalties on fines, violations, forfeitures and penalties imposed by the courts for criminal offenses and civil motor vehicle statute violations. Laws 2018, Chapter 237 reduced the CJEF surcharge from 47.0% to 42.0% in A.R.S. § 41-2401 and removed the Victims' Rights Fund and Victim Compensation and Assistance Fund as recipients of the surcharge. Instead, these 2 funds receive revenues from a new \$9 penalty on criminal and civil violations.

CJEF monies are distributed on a percentage basis to various state entities. Table 1 shows the current distribution percentages and the appropriation status of the funds and programs receiving CJEF monies. (See *individual agency pages for detailed information on each recipient.*)
